SCHMITTEN ZELL AM SEE

More than just fabulous views

Guests glide up to 2,000 m with five cable cars and other lift facilities, including the Schmittenhöhebahn from the Porsche Design Studio, to enjoy a fabulous view of more than thirty 3,000 metre peaks.

High altitude promenade

The panoramic hiking path between the Schmitt summit and Sonnkogel offers a varied mountain experience for the whole family. Many themed display boards, viewing platforms, a marmot cave, a beehive and the magnificent 360° panoramic view make everyone's heart beat faster.

“Schmidolins Feuertaufe”

Apart from experiencing beautiful nature, at the adventure trail different stations with tests of courage await young guests – so get your adventure pass and collect the flint stones along the path.

Freeride E Center and “Schmidolins Feuerstuhl”

No noise, no emissions but full power all the same – with electrically-powered motorbikes for adults and children. Teens and adults drive the electro-motorcycle by KTM, while children step on the gas on “OSET-bikes”

Entry: With the Zell am See-Kaprun Summer Card all lifts can be used as often as you like. In July and August the Schmittenhöhe lift to the peak can be used at no extra charge once within 6 days. Special trips outside the hours of operation as stated below are excluded. Guided hiking tours, according to the Schmitten hiking programme, are free with the summer card. The programme includes herbal, pastoral, musical, “family hike, the “On tour in nature” hike and the 4 lake hike.”

You save (ascent & descent to 2,000 m): € 24.00

KAPRUN HIGH ALTITUDE RESERVOIRS

Experience the power of water and eternal ice: modern transfer buses take you from the Kaprun valley to one of the Austrian mountain regions with the greatest abundance of water. Deep blue lakes are waiting to be discovered and the panoramic views of the Großglockner group are unique. You climb 1.200 altitude metres in only 45 minutes, through natural rock tunnels along the waterfall floor.

Both the **Mooserboden** and **Wasserfallboden** dams together store more than 160 Mio. m³ of water. Take a look inside the dam wall of the Moosersperre by joining a guided tour (special children's tour: every Tuesday at 1.15pm, July – August).

The “Electricity & Ice” adventure world tells you the history of the Hohe Tauern and its Tauern power. More knowledge about electricity gained from water power can be gathered at the main power station's information centre.

There are marked paths around the dams for exploring the Hohe Tauern – whether it be discovering the children's educational path or a **walk around the Höhenburg viewing point**. The herb path is ideal for families and easily wide enough for prams.

Entry:

Free with the Zell am See-Kaprun Summer Card.

You save (ascent & descent): € 19.50

VORDERKASER GORGE ST. MARTIN

Tread the breathtaking path of this fascinating natural landmark. Your walk takes you over 51 footbridges and 35 stairs with a total of 373 steps. The path to the entrance of the Vorderkaser Gorge leads you through a beautiful recreational and natural bathing area. When the Ice Age glaciers melted 12,000

to 14,000 years ago, the Ödenbach started to eat away the hard rock and this impressive gorge was created.

Entry:

Free entrance with Zell am See-Kaprun Summer Card.

You save: € 3.80

Arrival: With your car – it is right on the B311 and there is plenty of free parking – or with your bike over the Tauernradweg (Tauern bicycle path)

Address: 5092 St. Martin

SEISENBERG GORGE WEISSBACH

This gorge is the door to the “Weissbach nature park” and is therefore an ideal starting point for a variety of walking tours. The stops for the ALM adventure bus are also right on the path. There is a torchlight walk once a week accompanied by live music by the Weisenbläsern and this

is an unique experience. The gorge ghost turns a trip through the Seisenberg Gorge into an exciting experience for young and old.

Entry:

Free entrance with Zell am See-Kaprun Summer Card.

You save: € 4.00
