SCHMITTEN ZELL AM SEE

More than just fabulous views

Guests glide up to 2,000 m with five cable cars and other lift facilities, including the Schmittenhöhebahn from the Porsche Design Studio, to enjoy a fabulous view of more than thirty 3,000 metre peaks.

High altitude promenade: The panoramic hiking path between the Schmitten summit and Sonnkogel offers a varied mountain experience for the whole family. Many themed display boards, viewing platforms, a marmot cave, a beehive and the magnificent 360° panoramic view make everyone's heart beat faster.

“Schmidolins Feuertaufe”: Apart from experiencing beautiful nature, at the adventure trail different stations with tests of courage await young guests – so get your adventure pass and collect the flint stones along the path.

Electric-Motocross Park: No noise, no emissions but full power all the same – with electrically-powered motorbikes for adults and children. Teens and adults drive the electro-motorcycle by KTM, while children step on the gas on “OSET-bikes” (for a fee).

Culinary offerings: Schmitten Cafè, Sonnkogel Bergrestaurant, Berghotel Blaickner's Sonnalm, Hochsonnbergalm, Berghotel Jagal Alm, Ebenbergalm, Glocknerhaus, Hochzeller Alm, Gasthof Mittelstation, Pinzgauer Hütte, Schmiedhofalm, AreitAlm, Berghotel Schmittenhöhe

Entry: With the Zell am See-Kaprun Summer Card all lifts can be used as often as you like. In July and August the Schmittenhöhe lift to the peak can be used at no extra charge once within 6 days. Special trips outside the hours of operation as stated below are excluded. Guided hiking tours, according to the Schmitten hiking programme, are free with the summer card. The programme includes herbal, pastoral, musical, family hike, and the 4 lake art hike.

You save (ascent & descent to 2,000 m): € 26.00

Arrival:

All valley stations are easily accessible by car or post bus (Lines 660 and 71). There is also plenty of free car parking (except cityXpress parking - for a fee).

KAPRUN HIGH ALTITUDE RESERVOIRS

Experience the power of water and eternal ice: modern transfer buses take you from the Kaprun valley to one of the Austrian mountain regions with the greatest abundance of water. Deep blue lakes are waiting to be discovered and the panoramic views of the Großglockner group are unique. You climb 1.200 altitude metres in only 45 minutes, through natural rock tunnels along the waterfall floor. Both the **Mooserboden** and **Wasserfallboden** dams together store more than 160 Mio. m³ of water. Take a look inside the dam wall of the Moosersperre by joining a guided tour (special children's tour: every Tuesday at 1.15pm, July – August).

The “Electricity & Ice” adventure world tells you the history of the Hohe Tauern and its Tauern power. More knowledge about electricity gained from water power can be gathered at the main power station's information centre.

There are marked paths around the dams for exploring the Hohe Tauern – whether it be discovering the children's educational path or a **walk around the Höhenburg view-**

ing point. The herb path is ideal for families and easily wide enough for prams.

Culinary offerings: Bergrestaurant Mooserboden, Fürthermoaralm, Heinrich Schwaiger Haus

MUSEUM RITZEN CASTLE SAALFELDEN

As well as many representations of the rural way of life in Saalfelden, the Schloss Ritzen museum is also home to a large number of valuable folkloristic exhibits. The significant collection of cribs from Xandi

Schläffer, the crib collector and manufacturer, and a comprehensive collection of votive images are worthy of particular mention. The works of Gottfried Salzmann, the watercolour artist, and the exhibition on the subject of pilgrimage occupy a special position in the museum. A separate area of the building is dedicated to the pre-history and early history of the Pinzgau region, and to the Roman frescos from Saalfelden-Wiesersberg.

VORDERKASER GORGE ST. MARTIN

Tread the breathtaking path of this fascinating natural landmark. Your walk takes you over 51 footbridges and 35 stairs with a total of 373 steps. The path to the entrance of the Vorderkaser Gorge leads you through a beautiful recreational and natural

bathing area. When the Ice Age glaciers melted 12,000 to 14,000 years ago, the Ödenbach started to eat away the hard rock and this impressive gorge was created.

Entry:

Free entrance with Zell am See-Kaprun Summer Card.

TERMS AND CONDITIONS

1. The Zell am See-Kaprun Summer Card enables card holders to use the services to their stated extent during the time of their stay at one of the participating accommodation providers. The card is valid from 15th May to 15th October of any given year.
2. The extent and type of the services are stated in the overview of services offered by the Zell am See-Kaprun Summer Card. The latest version of the overview shall apply. Special trips and opening hours are excluded from the scope of services.
3. The Zell am See-Kaprun Summer Card is non-transferable. Guests receive their own card from participating accommodation providers. It may only be used during the period of validity and during their stay in the region. In cases of non-compliance or intended abuse, the card will be withdrawn without substitution. Guests will be held liable for services they have wrongly taken advantage of, or for damage caused by abusive use of the card.
4. Loss, theft, or malfunction of the card must be reported to the accommodation provider or the Zell am See-Kaprun Information office immediately.
5. All participating partners of the Zell am See-Kaprun Summer Card may restrict or cancel their services due to unfavourable weather conditions, frequency-dependent or technical reasons, and other major causes that prevent them from providing their services in whole or in part. In this case, no claims for compensation can be made against the service or accommodation providers or Zell am See-Kaprun Tourismus GmbH.
6. The card does not include insurance of any kind for the activities that can be engaged in after presenting the Zell am See-Kaprun Summer Card.
7. By using the Zell am See-Kaprun Summer Card, guests automatically accept the general terms and conditions of the service providers. Instructions from the service and lift personnel of the service providers must be followed at all times.
